HOW IT WORKS:

- ✓ Following your sale and/or purchase, I will purchase your cruise certificate which will be validated and given to you at your closing date.
- ✓ Within 90 days, you need to mail the certificate with a \$20 activation fee to Cruise Centre Direct.
- ✓ You will then receive a care package from the reservations department.
- ✓ You can cruise anytime over the next 2 years between September 1st and the end of February.
- ✓ You can book your cruise with a reservation agent. It is suggested that you book at least 90 days in advance.
- ✓ When you make your reservation, only then do you pay the port charges & federal departure taxes (\$225 US per person).

WHAT YOU CAN EXPECT:

- ✓ You'll be treated exactly in the same manner as all passengers on board. In other words, there's no timeshare presentation or any other commitment required. None of the crew or other guests will even know that you won this cruise ... unless of course, you tell them.
- ✓ All ship board activities, meals and shows are included.
- ✓ As with all guests on board, alcohol, duty free shopping and gambling are not included.
- ✓ You'll receive a regular inside state room.
- ✓ You can upgrade to a longer cruise and/or better room. You simply get a \$1400 credit from your tickets.
- ✓ You can even bring two children for the price of port charges, and you'll be given a Quad room for no extra charge.
